

The IHE Product Registry

Purpose

- A tool to search IHE Integration Statement published by Vendors.
- Vendors register IIS
- IIS remains on Vendors web site
- List of Actors/Profiles claimed in IIS is stored in PR database

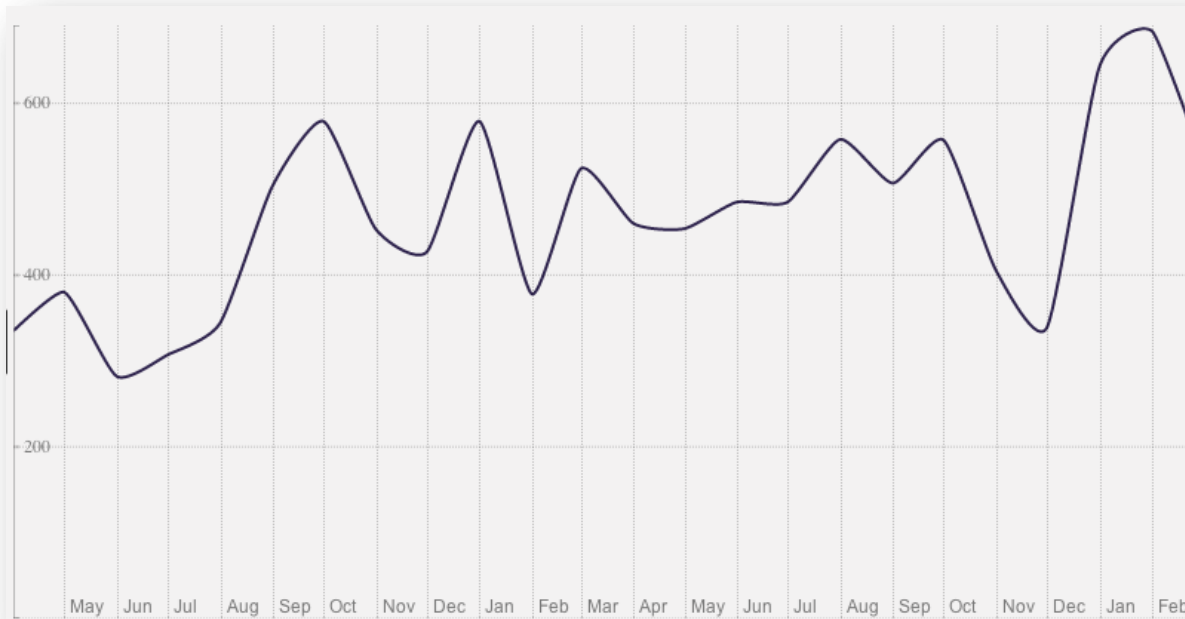

- Helps users find products that match their needs
- Statistics for Vendors
- Feedback for committees

Figures (March 2013)

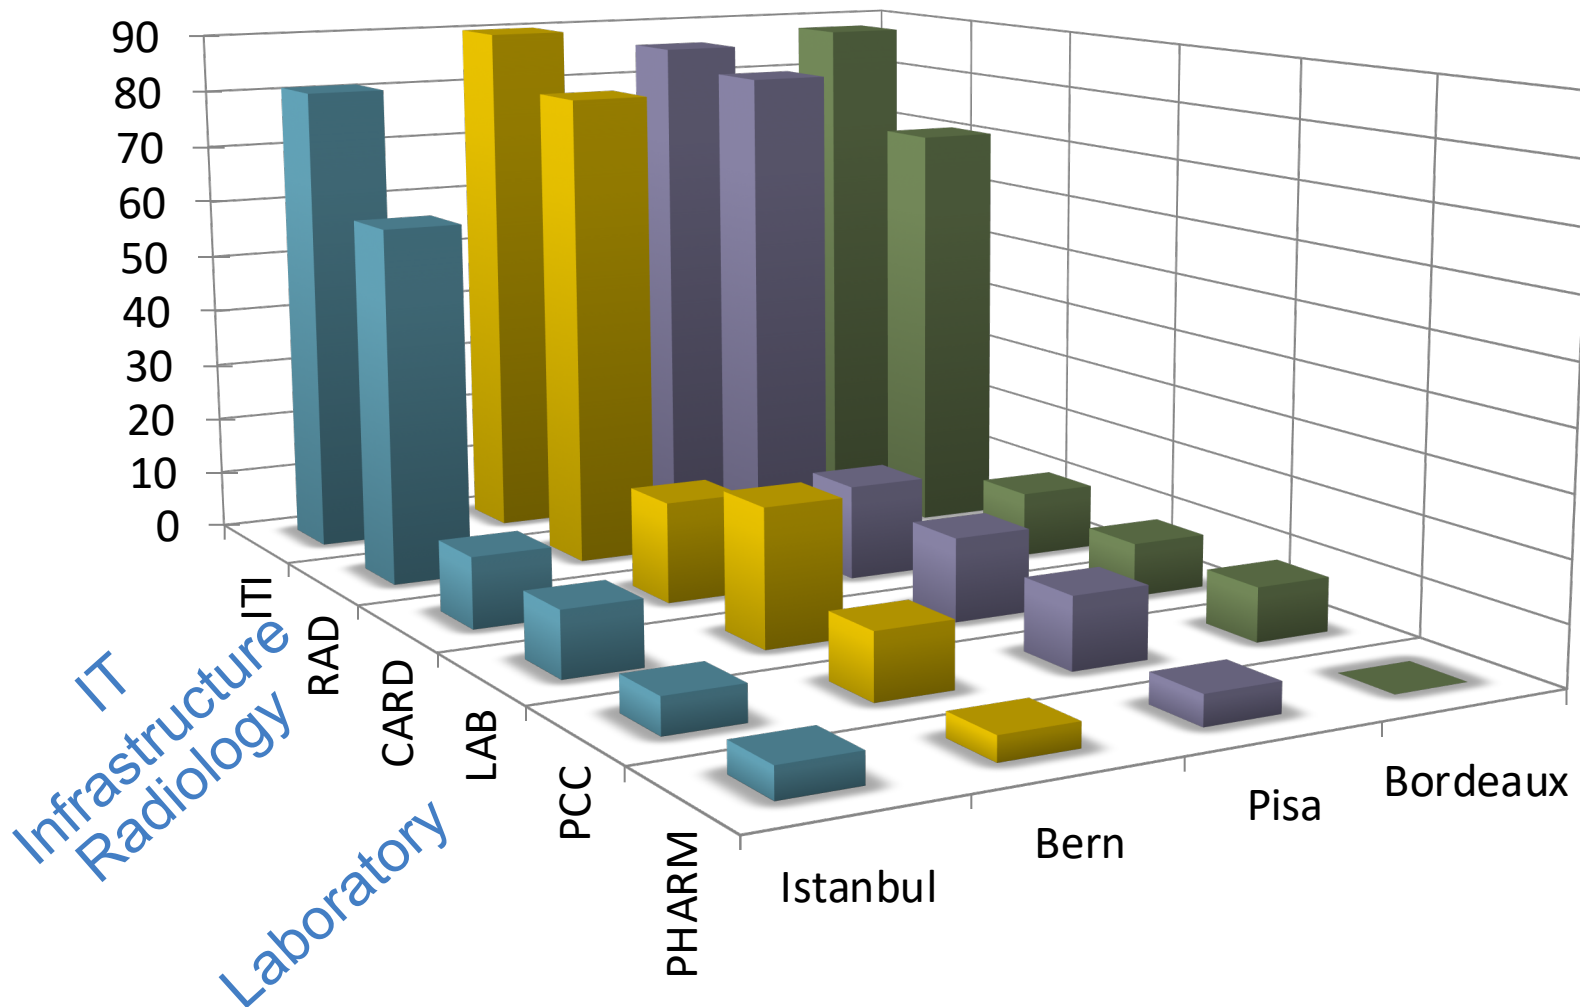

Over 588 IIS in the database

Over 265 companies registered

On the average 400 searches per month in the last 12 month

Number of systems per domain on Connectathons
